TREATMENTS

ANTI WRINKLE INJECTIONS (from £120)

A subtle treatment that softens fine lines and eases tension, leaving your expression refreshed while still entirely your own.

LIP FILLER (£130 - £150)

A gentle treatment to enhance natural shape and hydration, restoring softness and balance without losing what makes your smile yours.

NASOLABIAL FILLER (£150)

Softens the lines running from nose to mouth, restoring natural volume for a calmer, more rested look.

CHEEK FILLER (from £130)

Lifts and restores natural contour, bringing back volume and structure for a fresher, more balanced profile.

CHIN / JAW FILLER (from £130)

Refines and strengthens natural definition along the jaw and chin, balancing proportion and profile.

POLYNUCLEOTIDES (£120 - £150 PER SESSION)

A regenerative treatment that supports the skin's natural repair, improving hydration, elasticity and overall skin quality.

CRYOTHERAPY (from £75)

A brisk cold treatment that eases inflammation and muscle fatigue, leaving the body recovered and the mind sharp and alert.

SKIN BOOSTERS (PROFHILO & JALUPRO) (from £100)

Deeply hydrating treatments that restore skin quality from within, improving elasticity, tone and that natural, well-rested glow.

FACIAL (£55)

A restorative treatment for the skin, cleansing, nourishing and replenishing for a calmer, brighter complexion.

MICRONEEDLING (from £95)

A skin renewal treatment that stimulates the body's own repair process, improving texture, tone and firmness over time.

PRP FACIAL OR SCALP (£149)

Uses the body's own natural growth factors to rejuvenate skin or strengthen hair, restoring density, texture and condition over time.
